It was part of his plan to destroy you, United States, working with the globalists and the one-world government leaders. And, yes, all of their dirty deals and the secret heinous crimes that had been committed by Prince Charles will come to light even the ones concerning the death of Diana. I am bringing down anyone in power on this earth who has evil in their heart, an evil agenda, and won't turn from their wicked ways or repent.

Watch the Royal Family as they want her out of the way. Who you might ask? The queen. Prince Charles wants that power now and does not want to wait. The elites and the puppet masters are telling him to get rid of her because their plans are falling apart, and it's time for Plan B. Charles, you are running out of options. You know they have dirt on you, and they are about to pull your plug. You are losing your grip on the power you have desired your whole life. Your desperation is growing to keep the truth from being revealed to the world concerning what you have done to control England, your country. For what you have done behind the Queen's back, you know she would take your mantle from you. It would be given to William, your son. You would never have the crown, so you are willing to kill for it. Watch out, Charles, as I rip you from where you sit. **You will not get that crown, no, not ever. Because I, the Lord, am taking your freedoms and your power away** for the damage you have done globally, for your part in trying to destroy My America and because of what you have done to help the great reset. Everything you hold dear will be taken from you. Judgment is about to strike you down to the ground, and you will not get up from what is coming to you.

Watch the Royals as they fall one by one. You will hear of atrocities that Charles and Andrew have committed against their own nation and yours. Watch the Queen. Watch William. Watch how that family will be revealed. Some are innocent with no blood on their hands. But for the ones that have their hands dripping in blood, I will expose, and I will expose it all.

Charles – Prince of Wales – Prophecies Revealed to Julie Green – 2021 to 2023

Prince Charles, you thought you could let Andrew fall for you and that the elites and the puppet masters wanted to save you. You let your brother take a fall so you would stay safe. Charles, you are not safe. Truth I have declared, and you will also be stripped of your power. **I say this again, you will never have that Royal Crown no matter how bad you want it or how close you came to it.** I am moving My hand against you. Diana's name will be vindicated. Charles, you helped with the coup in My nation, and the whole world will know it. You will fall and never get up nor regain power. You are just another arrogant pharaoh. How you hardened your heart against Me. You will fall as the pharaoh of old and your end will be seen, saith the Lord of Hosts.

Bill Gates, Jeff Bezos, George Soros, Prince Charles, Justin Trudeau and prime ministers all over the world including the one in My nation Israel: you will see them all fall like flies in a fly trap. A clock tower will be destroyed in this hour, the one known as Big Ben. This sign is for Prince Charles and the rest of his team that they are coming down just like that. There is no more time for messing around with these people. They want world destruction. Your enemies even contemplated using nuclear warfare to put the world in panic and fear. They are thinking of using anything possible to stop their fall and to stop what they know is coming, which is Me and My Army, which they can not defeat.

The Queen's death will hit the Royals and shake some because they know it was no accident. But, Charles, you don't get that Crown no matter what even though you followed their instructions and went through with it. Big Ben will be your sign. You are going down for the One-World Government and their great reset. You are your own mother's murderer.
